Work Experience

Junior Front-End Developer | The Business Company, Chennai *Oct 2025 – Present*

- Contributed to six client websites: **The Pure Bliss**, **Teak Heirlooms**, **Shilpa Vummiti**, **Crafted Compass**, **Adyalam**, and **The Business Company**.
- Developed reusable React interfaces, responsive layouts, REST API integrations, forms, and interactive features across projects.
- Translated Figma designs into storytelling interfaces with scroll-triggered animations; customized existing template code and built tailored pricing sections.
- Improved frontend behavior, responsive layouts, media handling, and SEO fundamentals across relevant projects.

Front-End Developer Intern | The Business Company, Chennai *Jun 2025 – Sep 2025*

- Built reusable React.js and Tailwind CSS components, responsive landing pages, and website interfaces.
- Fixed UI issues, refined layouts across screen sizes, and collaborated using Git under senior developer guidance.

Personal Project

Ledgie — Income & Expense Tracker *React.js, JavaScript, Tailwind CSS, localStorage*

- Built a responsive expense tracker with CRUD operations and browser-based data persistence.
